

# Invitation for a free corona test.

Dear Charlois resident,

The number of corona infections is falling slightly. That is good news. But it's not going fast enough. Because there are still a lot of patients being admitted to hospital with corona.

As in other areas of Rotterdam, there are still a lot of infections in Charlois. In order to reduce the number of people with corona, it's important to know how the virus is spread. We can then deal with it better. For your own health, but also for your family and friends, it is therefore important to know whether you are infected or not. You could be infected with the corona virus, even without any of the symptoms.

## That's why we are bringing the test locations to Charlois!

From 26 January, you can get tested at 11 locations in Charlois, even if you have no symptoms. This can be done without an appointment. You do, however, need to make an appointment for the Ahoy location. Rapid tests are being used, so you will have the results within a day. The more people who take part, the better we can fight the virus. Are you joining in?

## When and where can you get tested?

You can simply walk in to any of the locations, or make an appointment at one of the buses.

## Would you rather make an appointment?

If you would prefer to make an appointment by phone for one of the locations, you can call 010-4438031 (option 1).

### The locations where the GGD employees are available for you are:

#### Open Monday through Friday from 9.00 am - 4.00 pm:

- School building, Slingeplein 8
- De Zuiderkroon, Vlissingenplein 164
- Old Church (side building), Charloisse Kerksingel 35
- RDM Congress Centre, Heijlplaatstraat 17
- District location Municipality of Rotterdam, Wolphaertsbocht 356

#### Test locations - outside (test bus):

- Nachtegaalplein

#### Open Monday to Thursday from 9.00 am - 4.00 pm:

- Laleli Mosque, Gruttostraat 9

#### Every day from 9.00 am - 4.30 pm, but always make an appointment first:

- Ahoy, Ahoyweg 10
- You do need to make an appointment for the Ahoy location. You can make one by calling 010-4438031 (option 1).

We are counting on you! This is how we can work together, step by step, towards greater freedom. To a city where we can actually meet up with each other again.

Finally: keep your distance, limit contact with family and friends, cough and sneeze into your elbow and wear a face mask where it is obligatory.
